COMMENTS/DESCRIPTIONS OF SPECIAL

Most of Lechamps b.p. has a decent slip left - one row base is almost totally eroded on the interior. Peloa is eroded only on the interior of the rim. Aluas have slip, but it is eroding & the designs are not really visible.

COMMENTS/DESCRIPTIONS

Shards are in excellent preservation. La Champa Grp db is very worn on the break to the rim -- well into the paste.
